

OWENS

Fleetships...a bigger, better boat for your money!

17" Deluxe Runabout ↑

Handsome sports car styling makes this another outstanding example of Owens' great revolution in boat building! Double re-curve plexiglas windshield, auto-type steering, integrated cellular plastic flotation, choice of colors with contrasting or matching upholstery, hull bailer, plus countless other exclusive features. She's not just another Fiberglas boat, she's an Owens!

15" Argos Utility Runabout ↓

Although it is the lowest priced Owens in the 1959 Fleetship line, it has many appointments of the deluxe models. Offers closed-in gunwales and covered transom corners for drier boating; rubber sheer molding, a rubber transom protection pad and rubber anti-friction grommets for control openings. Extra-long deck offers increased protection and storage in the bow. Available in two two-tone choices—white hull with a blue or red deck.

General Specifications
